This is the statistics of marriage licence statistics for toronto; looking for the relationship between data and number

## 1 Introduction

You can and should cross-reference sections and sub-sections. We use (**citeR?**) and Wickham et al. (2019).

The remainder of this paper is structured as follows. Section [2](#)....

## 2 Data

Some of our data is of penguins (Figure [1](#)), from Horst, Hill, and Gorman (2020).

From graph, the number of number of marriage licenses stays same for those years, but the number of date reduce from 2020.
